No. 520

**Introduced by Senator Pavley
(Coauthors: Senators Alquist and Romero)**

February 26, 2009

An act to amend Section 51225.3 of the Education Code, relating to high school curriculum.

LEGISLATIVE COUNSEL'S DIGEST

SB 520, as amended, Pavley. High school curriculum: community service.

Existing law sets forth the courses a pupil is required to complete while in grades 9 to 12, inclusive, in order to graduate from high school and authorizes the governing board of a school district to specify by rule other required coursework.

This bill would authorize the governing board of a school district to offer ~~one credit towards the required number of credits required for graduation from high school for each~~ *12 credit, as specified, for* hours of community service provided outside of regular school hours by a pupil, ~~up to a maximum of 5 credits per pupil per semester, and for a maximum of 2 semesters.~~ The bill would require a school district that elects to offer credit for community service to establish and maintain a list of suitable community service organizations from which a pupil would be required to choose to complete the community service hours. The bill also would require a school district to require the pupil to submit

a report or other academic assignments, as determined by the district, on the community service experience and would require the community service organization to verify the hours served by the pupil.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
